I’ve found a home where I can continue to provide a true closing experience to my existing clients and friendships while being backed by a team of experienced attorneys and leading industry technology.” - Steve Golden, Principal and Managing Attorney

“We are beyond thrilled to have Steve and Laura join the Ganek family. Their excellent reputation for superb legal work in the North Atlanta market precedes them. Steve also has a passion for teaching continuing education classes, and both he and Laura have established strong connections with members of the real estate industry.

We look forward to the contributions they will make to our organization, and we couldn’t be happier they chose Ganek as their new home. We welcome them to our firm and look forward to providing strong support for their continued growth. We are also extremely pleased that
